PATTERN NOTES

A classic pullover gets an update with the Jora sweater. This one is sure to be a closet staple, but the cabled sleeve adds detail and texture to the timeless piece. Pair it with jeans, a skirt, or any garment you choose. Worked in super-soft and easy-to-care-for Adore, you'll want to wear it all year long!

This sweater is worked from the bottom up in pieces and then seamed. The neckband is picked up after the sweater has been sewn and worked in the round.
