PATTERN NOTES
We can think of few things better than curling up on the couch during a rainy Saturday afternoon. Whether you're enjoying a good book, watching reruns of your favorite tv show, or just snuggling up with your favorite pet, you'll be nothing short of cozy wrapped up in the Wickerwork Blanket. Think a blanket this size will take forever to knit? Think again! Knit flat using Bella Chenille Big, this blanket takes fewer than 900 yards – that's less than most sweaters!
